## National School District Wellness Coalition (NSDWC)

November 12-14 | El Paso, TX

[Register here!](#)

If you are a District Staff member, this event is for you!

Join us from November 12-14 for a chance to dive into key topics that impact child health and their ability to succeed!

- Explore reducing risky behaviors
- Get tips on supporting physical education
- Discuss promoting mental health

Our schedule also includes powerful sessions on innovative school nutrition programs, health education, and practical strategies for underfunded districts.

This event is a golden opportunity to network with fellow child health champions, build meaningful relationships, and share your stories.

From our World Café-style discussions to a local school site visit to the BeeHive and strategic planning sessions, you'll leave with fresh insights and valuable connections that will drive the future of our Coalition.

### Speakers:

- Kaiser Permanente
- Texas Institute for Excellence in Mental Health
- District members
- And more!

### More information:

- Limited scholarships still available
- Group hotel rate
- Several meals included in registration cost
